We are excited about seeing our ACE professionals this November. We look forward to sharing ideas and discussing the power of work based learning inside and outside the classroom. We have some great breakout sessions and tours planned. Breakouts include:

- Uniquely Abled
- Work Based Learning Workshops – to support credentialing
 - WBL: 101
 - Developing relationships with Business and Industry
 - Advocating WBL and PWR Skills to teachers, parents, students
- Pikes Peak Business and Education Alliance (PPBEA)
- CTE and Special Populations
- Perkins V
- ACE 101
- Assessment and Special Populations
- Assistive Technology to Support WBL Success
- CTSO - how to integrate into your classroom
- School-based Business Panel: how to start your own
- ACE and Secondary Transition Planning
- YouScience
- Virtual Job Shadow
